Science Through Literacy

After reading Dr. Moore’s monograph and listening to his podcast, complete the chart below and record the strengths your students bring to the science classroom, the challenges they face, and your next steps to accelerate learning. Compare and discuss with your colleagues.

Key Areas	Strengths My Students Bring to Classroom	Challenges My Students Face	My Next Steps to Accelerate Learning
Science Texts			
Academic Vocabulary			
Science Content			
Reading Strategies (Nonfiction Texts)			

Next Steps:

List 3 new practices you will apply in your *NG Science* classroom after studying and discussing this topic.

1. _____
2. _____
3. _____
